If a specified allocation of splashes is granted to a team and agreed upon in writing between the meet host and attending team, the attending team is financially responsible for that allocation if unused, unless the meet host is able to substitute other participants to fill the unused splashes.

	<p>end of the racing course. Optionally, a legal split may be requested after the event using a legal split form when using a fully automatic timing system. The Admin Official has discretion to either grant or deny the request after reviewing the available evidence. Backstroke legal splits must be requested in advance to ensure a legal finish.</p> <p>LEGAL SPLITS – Relays: All lead-off splits for relays are automatically loaded into SWIMS and do not require additional watches for validation unless there are no touchpads present, or the second swimmer starts in the water. If there are no touchpads, or the second swimmer starts in the water, a legal split form with three watches will be required for entry into SWIMS. Timers must be positioned over the lane at the end of the racing course. It is recommended that coaches report lead-off time discrepancies to the Administrative Referee or Administrative Official.</p>

	<p>the swimmer to a registered coach for warm-ups.</p> <p>WARM UP SAFETY:</p> <ul style="list-style-type: none"> • Diving will be prohibited during warm-ups except in specifically announced one-way sprint lanes. There will be no diving in the warm-up and warm-down areas at any time. • For all warm-up sessions, swimmers must utilize a “sit and slide”/ “three-point” entry to enter the pool for warm-ups, by first sitting on the deck, and then sliding, feet-first, into the pool. • During competition, when entering the warm-up/warm-down area, a “sit and slide”/ “three-point” entry is required at all times.” • In extraordinary cases, due to bulkheads and other pool designs, it may be determined that it is unsafe or impossible for swimmers to perform the required sit and slide entry. Exceptions to the sit and slide rule shall only be made when performing the sit and slide entry poses risk of injury to swimmers and/or risk damaging or ripping of swimsuits. An exception to the sit and slide rule shall only be made when the Safety Monitor, Meet Director, and Meet Referee have evaluated the risks and unanimously determined that the use of the sit and slide entry poses such great risk as to be unsafe. In these cases, the Safety Monitor, Meet Director, and Meet Referee must determine and agree upon an alternative safety plan to ensure swimmer safety.
