|------------------|---|
| | The competition course has been certified in accordance with 104.2.2C(4), the copy of such file is on file with USA Swimming. |
| FORMAT: | <p>The meet will be swum as preliminaries and finals, with the exception of events 400 yards and longer, as well as all relays, which will be swum as timed finals. For the preliminaries/final events, the 10 & Under and 11-12 events will each advance 1 heat of 10 swimmers to finals, and the 13-14 and 15 & Over events will each advance 2 heats of 10 swimmers to finals.</p> <p>For all individual preliminaries and timed finals events, the 13-14 and 15 & Over age groups will swim together, seeded by time. Events will be separated into 13-14 and 15 & Over age groups for finals, as well as for scoring and awards purposes.</p> <p>All preliminaries and timed final events, individual and relay, will be seeded fastest to slowest. On Thursday evening, each event will alternate heats women/men.</p> <p>The 13 & Over 400 Yard Individual Medley (Friday) and 500 Yard Freestyle (Saturday) will be timed finals events. The fastest heat of 13-14 and fastest heat of 15 & Over of each age group and each gender will swim during the evening finals session. The remaining heats will swim at the conclusion of the preliminary session, alternating heats women/men.</p> <p>All relays will swim during the preliminary sessions.</p> <p>During evening finals sessions, all heats will report directly to the blocks. For 13-14 and 15 & Over events, the B-Final will swim before the A-Final. All B-Finals will be announced in the water, while all A-Finals will be announced behind the blocks.</p> <p>Swimmers may compete in a maximum of 3 individual events per day, including time trials.</p> <p>Swimmers must provide their own timers for events 400 yards and longer. No events will swim with more than one swimmer per lane.</p> |
| SCRATCHES | <p>This meet will utilize a modified version of the USA Swimming National Championships scratch rule. All events, including relays are “scratch-only”; no positive check-in will be utilized. The scratch deadline for Thursday’s events is 3:00 PM Thursday. The scratch deadline for Friday’s events is 5:45 PM Thursday. The scratch deadline for Saturday’s events is 6:30 PM Friday. The scratch deadline for Sunday’s events is 6:30 PM Saturday. Scratches may be submitted via email to danwarner1955@gmail.com or made on deck with the Administrative Referee at the meet.</p> <p>In all events where preliminary heats are necessary or in any timed final event for which the swimmer has been positively checked in, after the heats have been seeded, any swimmer who fails to compete in an individual event heat in which such swimmer entered and has not been scratched in will be barred from all further individual and relay events of that day. The application of this penalty shall pertain to the order in which the event/heats are swum, not the numerical order of the events. Additionally, that swimmer shall not be seeded in any individual events on succeeding days unless that swimmer declares an intent to swim prior to the close of the scratch box for that day’s events. As an alternative, the swimmer may elect to pay a fine of \$100 for immediate reinstatement in the meet, to be paid immediately to the meet host. The Meet Referee has the discretion to waive the penalty in the case of illness, injury, and/or other circumstances beyond the control of the swimmer.</p> <p>Scratches from finals will be conducted in accordance with articles 207.11.6D and 207.11.6E in the USA Swimming rules, with the only deviation concerning the penalties for failure to compete: Failure to compete in the finals round of a prelims/finals event, without properly scratching, will result in the swimmer being barred from all further competition for the remainder of the Meet,</p> |

| | |
|----------------------------|---|
| | <p>including relays. In the event that the swimmer has no further competition from which to be penalized, a \$100 fine will apply to be immediately to the meet host.</p> <p>A swimmer not originally announced or posted as qualifying for finals, who is seeded in a final due to the scratch of another swimmer, will not be penalized for failing to swim in that final; however, swimmers finishing within the top forty (40) are asked to scratch from finals if they do not intend to swim, so that the Administrative Referee will be able to properly seed the meet for finals.</p> |
